I understand the purpose of the Awareness Washington County program. If selected, I will commit the time and resources necessary to complete the program. Attendance at all of the workshops is necessary to accrue the full benefit of the program. A considerable amount of trust is given to AWC through the community's investment of time, resources, and money, justifying the strict attendance policy. If I am unable to attend any portion of the program (including tardiness and leaving early), it is considered an absence unless reasonable cause given before the absence is agreed upon by the Directors.

Failure to comply with this policy may result in dismissal from the program and forfeiture of tuition. If you or your employer, if applicable, are unable to make this commitment, it is not in your best interest to apply. Are you willing to make such a commitment?
